

SHAKESPEARE WITHOUT TEARS-WEBINAR SERIES

WHAT TO EXPECT

Our goal online is the same as on-stage; to engage, excite and inspire students to embrace everything that Shakespeare's works have to offer.

Over a 40 minute session students and teachers will have a unique opportunity to see live performance of your study text and be able to engage in in depth discussions with actors and the director of our 'Shakespeare, Without Tears' schools programme.

Your students will benefit from sharing ideas with and asking questions of three professional Shakespearian performers with a combined 20 years of experience.

In each webinar our actors will present a few key pieces to allow students to see Shakespeare's words come to life before them.

Our webinars are presented class by class, and can be scheduled to fit in with your timetable.

SESSION FEE

40 - 45 minute session: \$9.00 per student

Minimum performance fee of \$275.00 per session (Up to 30 students).

REVIEWS FOR OUR WEBINAR.

"The team at Flying Bookworm were incredibly attentive to what we needed for our incursion. Flying Bookworm tailor made a Macbeth experience for our students and our curriculum aims, and were excited to join our class panel discussions about characters, themes and Shakespearean language. Jess, Ebony and Jack were extremely personable and were genuinely interested to hear our students ideas about Macbeth, as well share with our students some expert insight of their own".

-S. Oliver, CGGS

"I was able to discover deeper meanings of Macbeth through the discussion with Jess. Many different elements and important themes were explored and we were able to analysis it further with our class mates. It was really helpful and interesting for me and I think the ideas examined will be very helpful for further analysis later on in my learning."
